March 9 and 10 2019
March 23 and 24 2019

Workshop digital black&white shooting and initiation to Piezography®

Instructors : Patrick Borie-Duclaud and Dominique Laugé

Proceedings :

- half-day shooting
- half-day editing and projection
- guidelines for preparing files
- introduction to Piezography Pro and printing

Participants should finish the workshop having completed 5 prints A3+ on bamboo paper Awagami with photos shot on Saturday morning or from files brought specifically for Piezography Pro printing.

Basic essentials : laptop, digital camera, USB key.

Price : 350€ per participant, lunch included. Maximum group size: 6

If the minimum number of people required is not reached, the Centre may cancel the workshop.

Deadlines for inscriptions : February 25 2019 (first w-e), March 11 2019 (second w-e).

Please send the filled in form to the Centre pour la Photographie, 16 Grande rue du Château de l'Hom, 81600 Gaillac, France. www.centrephoto-gaillac.com
